ABSTRACT

OPM as an independent, non-governmental, non-party organisation founded in 1996 in Skopje Macedonia, among other Committees has The Nutrition Committee. This Committee has worked on several nutritional projects:

- GTZ-VZBV project: „Improvement of the nutrition of pre-school and school children“
- The EU Phare Lien Project "Nutrition needs of elderly people"
- Through Consumers' International, OPM has secured a "Food Basket" project
- GTZ-FOOD PROJEKT

Throughout the work on project, OPM has issued brochures, bulletins and has worked on nutritional infoteque.

OPM has participated on seminars, round tables, tribunes, commissions in adopting nutritional law, counselling the consumers about healthy diet. Also, the participation in domestic and international nutritional commissions is important area of The Nutritional Committee.
